**FOSTER KINSHIP  
NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2019**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

This summary of significant accounting policies of Foster Kinship (the “Organization”) is presented to assist in understanding the Organization’s financial statements. The financial statements and notes are representations of the Organization’s management, which is responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

**Nature of the Organization**

The Organization is a non-profit corporation established under the laws of the state of Nevada on December 19, 2011. The purpose of the Organization is to strengthen kinship caregivers’ capacity to provide safe, permanent, and nurturing homes for children. The Organization meets these goals through its Kinship Navigator and Child Welfare Training programs.

**Basis of Presentation**

The financial statements of the Organization have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities. The Organization presents a classified statement of financial position with additional qualitative information about the availability of resources and liquidity in Note 2.

The accompanying financial statements have been presented in accordance with accounting principles generally accepted in the United States of America applicable to not-for-profit organizations, principally Accounting Standards Codification (ASC) 958, *Not-for-Profit Entities*. Under ASC 958 (as amended by Accounting Standards Update (ASU) 2016-14), the Organization is required to report information regarding its financial position and changes in financial position according to two classes of net assets; net assets without donor restrictions and net assets with donor restrictions. The classification of net assets is based on the existence or absence of donor-imposed restrictions. Net assets are released from donor restriction by incurring expenses satisfying the restricted purpose or by occurrence of the passage of time or other event specified by donors.

**Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and judgments that affect the reported amounts of assets, liabilities, revenues and expenses. Accordingly, actual results could differ from those estimates.

**Cash and Cash Equivalents**

For the purpose of the statement of cash flows, the Organization considers all highly liquid investments available for current use with an original maturity of three months or less to be cash equivalents.

**Advertising**

Advertising costs are expensed as incurred. Advertising expense for the year ended December 31, 2019 was \$2,266.

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Revenue Recognition**

The Organization is supported primarily through grants and contributions.

Donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, restricted net assets are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from donor restrictions.

**Contributed Materials and Services**

Generally, donated materials, if significant in amount, are recorded at their fair value, provided the Organization has a clearly measurable and objective basis for determining the value. In the case of materials where such values cannot reasonably be determined, the donation is not recorded. Donated professional services are recognized at fair value if the services received (a) create or enhance long-lived assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. The amounts reflected in the accompanying financial statements as in-kind contributions are offset by like amounts included in program expenses. The Organization recognized the following in-kind donations during the fiscal year:

Materials and supplies	\$ 100,828
Professional services	<u>21,161</u>
	<u>\$ 121,989</u>

Unpaid volunteers have donated their time to the Organization's programs. The value of such services are not reflected in the accompanying financial statements since these services do not meet the criteria for recognition as contributed services.

**Allocation Methodology**

The statement of functional expenses presents expenditures by both their nature and their function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. All expenses are allocated based on management's estimate of time and effort, except for advertising and professional services which are fully allocated to management and general and program expenses which is fully allocated to program services on the accompanying statement of functional expenses.

**Grants Receivable**

The Organization's grant revenues are related to reimbursable grants. Grants receivable consists of amounts expended in the current year but not yet reimbursed as of year-end. The Organization does not anticipate any collection losses with respect to the receivable balance. As of December 31, 2019, no allowance for uncollectible accounts was deemed necessary.

**Income Taxes**

The Organization received notification from the Internal Revenue Service that the Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and has been classified as a public charity under Section 170(b)(1)(A)(vi). Therefore, no provision for income taxes is made in the accompanying financial statements.

As defined by ASC Topic 740, Income Taxes, no provision or liability for materially uncertain tax positions was deemed necessary by management. Therefore, no provision or liability for uncertain tax positions has been included in these financial statements.

As of December 31, 2019, the tax years that remain subject to potential examination by taxing authorities begin with 2016.

**NOTE 2 – LIQUIDITY AND AVAILABILITY**

The Company has \$234,457 of financial assets available within one year of the statement of financial position date to meet cash needs for general expenditures consisting of \$159,123 of cash and \$75,334 of grants receivable. Donor imposed restrictions are not available for general expenditure. As part of the Organization's liquidity management, it structures its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

**NOTE 3 – NET ASSETS WITH DONOR RESTRICTIONS**

Net assets are released from donor restrictions by incurring expenses satisfying the restricted purposes or by occurrence of the passage of time or other events specified by donors. As of December 31, 2019, net assets with donor restrictions consist of \$24,335 of cash and are restricted specifically for the Kinship Navigator program.

**NOTE 4 – CONCENTRATIONS**

For the year ended December 31, 2019, approximately 68% of total revenue, excluding in-kind donations, consisted of two reimbursable grants. Both grants have been renewed through June 30, 2020. The current level of the Organization's operations and program services could be impacted if funding for these grants were not renewed in future years.

**NOTE 5 – SUBSEQUENT EVENTS**

Subsequent events have been evaluated through February 13, 2020, which is the date the financial statements were available to be issued.
