**PHARMACY CLINICS:**

**WALGREEN'S "Take Care Clinic"** – Various locations - 1(866)-TakeCare or 1(866) 825-3227. \$28 for 1-step test. NOTE: WALGREEN'S charges an additional \$25 to provide you with a receipt of the results.

**CVS "Minute Clinic"** – Various locations – 1(866) 389-2727, \$35 for 1-step test. NOTE: CVS charges an additional fee of \$29 to provide you with a receipt of results.

TIPS: Always call to confirm pricing, hours, services, locations, and if appointments are recommended. Prior to testing, always discuss with the Technician for TB test options. Be prepared to return to clinic within 48-72 hours after skin test for results; and approx 7-10 days after chest x-rays for results.

CONSEJOS: Siempre llame para confirmar los precios, horarios, servicios, lugares, y si las citas son recomendados. Antes de la prueba, siempre hable con el técnico para las opciones de la prueba de tuberculosis. Esté preparado para volver a clínica dentro de las 48-72 horas después de la prueba de la piel para obtener los resultados; y aproximadamente 7-10 días después de la radiografía de los pulmones para los resultados.
